Apollo5

The latest British sensation in a cappella - a fresh take on vintage jazz, pop and the classics. Slick performance and retro styling create a versatile show with something for everyone. The five young professional singers give engaging and entertaining performances for audiences at festivals, private parties, corporate events and on the concert platform. But they also sang Evensong at Portsmouth Cathedral this summer and in early November they will be competing in an international choral competition in Spain.

Apollo5 is part of the charitable foundation, Voces Cantabiles Music, and is involved in the foundation's innovative education programme which aims to inspire creativity through music. The programme, led by Apollo5's sister group, VOCE58, reaches 25,000 young people annually, working in over 200 schools in the UK, France, Sweden the USA and Asia.

Apollo5 is proud to be working in collaboration with Red Balloon Learner Centres in the UK. The aim of Red Balloon is the recovery of severely bullied children. Apollo5 is Ensemble in Residence with Surrey Arts and was honoured to headline the sold out celebration concert at the Royal Albert Hall in May 2012.

The group is grateful for the support of sponsor, Vivien of Holloway, The best of 1940s and 1950s reproduction clothing, making the world a more glamorous place!

Are you enjoying Gareth Malone's 'The Choir' on TV? You'll enjoy this too! Great variety of music from Tallis and Parry to Duke Ellington, Cole Porter and Christina Aguilera's 'Beautiful'. Interval refreshments thrown in!
